# LEADERSHIP IN CHANGE

*"Empowering Local Leadership for Indiana Soil and Water Conservation"*

There is an increasing need to prepare supervisors for the leadership challenges they face today and in the future. Equipping supervisors with leadership skills enables them to successfully operate in a rapidly changing environment. Participants in the Leadership Institute's first Cornerstone, Leadership in Change will gain valuable insight to address this need in the following areas.

- What is Leadership as it Relates to SWCDs and Change
- Dealing with Change in Your SWCD
- Understanding Yourself & Others through the Myers Briggs Personality Type Indicator
- Matching your Skills & Abilities with Your Position and Responsibilities
- How You Can Best Serve Your Organization

Please Join Us

March 11-12, 2011

at Gasthof Amish Village, Montgomery

Friday's evening activity includes a home-cooked supper at an authentic Amish family's home, complete with "homegrown" meats, sides and multiple desserts. We'll also stop at an Amish buggy shop and a handmade quilt & craft store. Come visit with other SWCDs and their guests, as we enjoy a truly unique, memorable evening taking us "back in time".

**For more information, please visit our Web site at:**

**<http://www.in.gov/isda/2638.htm>**

The Leadership in Change workshop is the first cornerstone of Leadership Institute's premiere program, Cornerstones of Leadership, a four-part leadership development workshop series tailored specifically to Indiana Soil and Water Conservation District Supervisors.
